

Voice Jam!

Creating harmony and innovation in the workplace

“Voice Jam was a magical experience!” – T. Thomas, Prudential, SLC

Vocal improvisation is a fun and freeing way to let your creative right brain come out to play!

This creative break out session skyrockets the energy in the room! Participants are amazed at what their voices can do as Team members create their own vocal symphony to hot Latin rhythms!

**No singing
experience required.**

“What an imagination energizer!”

–M. Weaver, Bartlett Inc.
